OFFICERS

President: Dean Gary
Vice President: Mark Pueppke
Secretary: Ron Landman
Treasurer: Ryan Johnson
Safety Officer: Kevin Paulson
Board member at large 1: Tyler Vetter
Board member at large 2: Steve Faeth
Advocate: Ken Littlefield

We discussed the need for an increase of dues. The increase of costs for garbage, Jiffy John, and gas are major items. An increase from \$75 to \$100 was discussed as a possible change. The board will meet later this month to finalize this.

Once the dues have been decided, the membership form will be updated and we can start taking applications for next year 2023.

We will be using the Air Museum again this year for winter meetings for free. However, we need to be able to send a few people to the museum to help set up for events. This is part of the agreement for the free rent.

Members helped empty all the trash cans into the dumpster for the final pickup of the year.

Several members flew lighted airplanes after dark. It was quite dark by 7:30.

Indoor flying is set for Rustad Recreation Center in West Fargo for 5 Saturdays from Nov – Mar. We are starting to take money for season passes. Best way to pay is through PayPal. The fee should be added to the payment.
