

Club Meeting – Apr 2, 2019

Fargo Air Museum - members and guests present - ~12

Checking - \$6,262.94

Savings - \$2,285.56

TOTAL - \$8,548.50

39+2 members so far this year

AGENDA

- RC Class for Moorhead Adult Education – 19 people came. Successful! Club received \$189 from the registration. Consider doing it each year. Simulators were popular as was the flying demos. Helped a couple people learn to fly their own drones that they brought. Let others try drones as well. Half the class was kids maybe 12 and under.
- FAA rep to speak next month
- Sanction for Air Sho – ?? Ryan Johnson is planning to get CD then the sanction.
- Safe deposit box. Contains Conditional use permit with Clay County Zoning committee from 1989 and other charter documents for the club.
One key is missing. Looking for who might have it. Consider getting out of this one, pay \$25 for lost key and then get a new box someplace.
- AirSho – flying will be limited to something in a netted cage?
We could use more space to spread out and not have the planes too far back. We might have space to add a third trailer. We might have simulators available, perhaps in a trailer.
- April 6 – DL Aeromodelers mall show and swap meet
- Field changes for safety. Try out new fencing at FF. up to 3 FF's this year. Train people on new procedure. Morning brief. Set times for helis and 3-D and multi-rotor
- Website stats and usage. Ryan Jordet gave an update on the usage stats of the updated website. Hits are up about 50% with peaks before events. Many have used the “contact us” through email.

2019 Officers

President – Ryan Johnson

Vice President – Dean Gary

Treasurer – Paul K

Secretary – Ron Landman

Safety – Dick V

Member at large – Ken L, Mark P
