FARGO INDOOR FUN-FLY

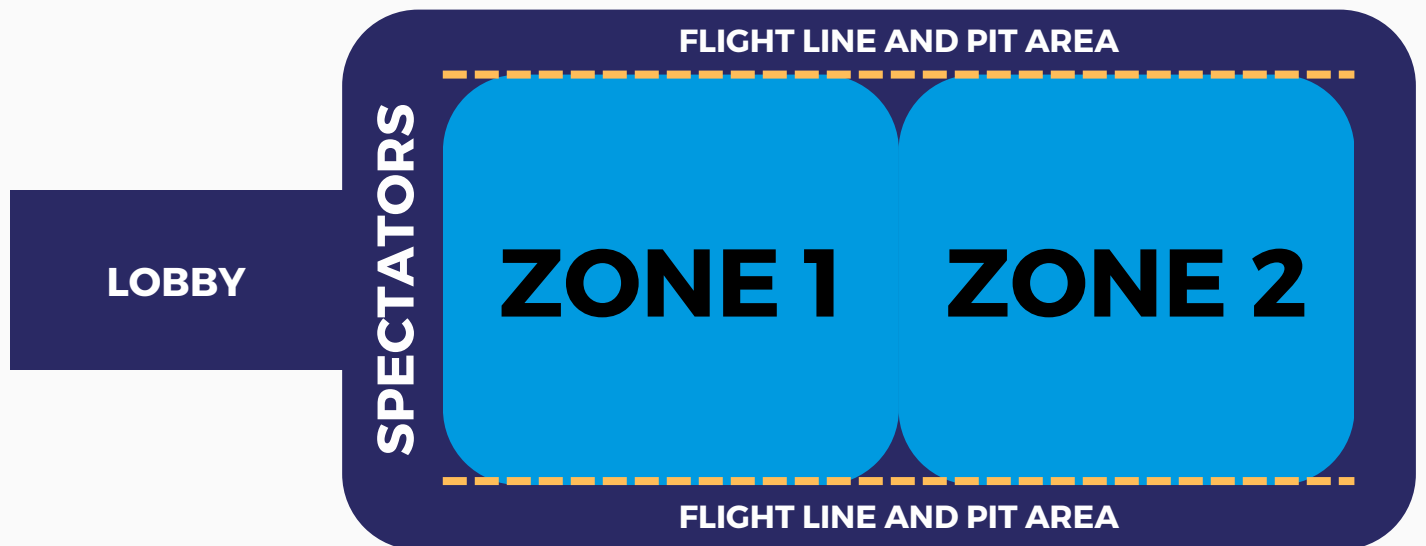

Rules and Guidelines

Facility

- Water is the only beverage allowed inside the bubble area - no food allowed
- A small concession area in the lobby with snacks and drinks for purchase
- Pot-Luck lunch served in the lobby provided by Valley RC Flyers Members

Flying Rules

- Open flying can utilize all of Zones 1 and 2
 - 3D flyers and helicopters - ideally stay towards Zone 2
- Competitions/events will be held in Zone 1
 - You may continue open flying in Zone 2 if you're not participating/spectating
- Please use discretion in your choice of aircraft
 - Must be able to fly in a controllable manner in the space allowed
 - The revolving door limits the size
 - We recommend less than 36" span and less than 1 pound
- Behavior and flight that is reckless or dangerous and could cause any unwanted property damage or personal injury is prohibited
- Flight line, pattern, and types of aircraft allowed may change as the event requires. Please use common sense regarding airplane size and power. We are in an inflatable facility after all.

Valley RC Flyers welcomes you to this event. We hope you have fun and enjoy sharing this hobby with others in our community. Please respect this space and each other so we can continue to host events in these great facilities.
